GREEN

LIFE'S BETTER TOGETHER

Wide surfaces. An impact outlook. Sensations of cleanness, simplicity, and comfortable spaciousness. Green: the most exclusive model of barbecue. A reference to the great harmony of the flattest and breeziest areas of a golf course. Where the challenge is played. Aiming at the excellence of result.

#SUPERPOWERWAYOFLIFE

The purity of steel. Soaring lines. Swing emotions. A state-of-the-art barbecue. Stunning like the move of the golfer during the stroke. The same equilibrium. The same power. The same geometry: sinuous, faultless, dynamic.
